HOW IT WORKS

Enroll debit/credit/grocery reward cards at eScrip.com, a VeriSign secure site that encrypts all information to protect against 3rd party disclosure. Your card is never charged by eScrip. They simply calculate a percentage of your purchases and forward donations from merchants to "Valley View Parents Club". Choose up to three schools to share your contributions. Your personal information is not shared and goods you purchase are not revealed to anyone. In addition to Safeway, there are many participating grocers all around the country.

Don't want to share your account information? You don't have to enroll to help! Shop anonymously and the school still receives a percentage of your purchase from the merchant. Simply click on the eScrip Online Mall link on the home page at the Valley View Parents Club website at valleyviewcommunity.org and shop!
